New LED Video Board Enhances Fan Experience at Bahamas Bowl

The Bahamas Bowl is a NCAA Division I Football Bowl Subdivision college football bowl game played annually in Nassau, Bahamas, at the 15,000-seat Thomas A. Robinson National Stadium. The Bahamas Bowl features teams from Conference USA and the Mid-American Conference and is broadcasted nationally in the United States on ESPN.

During the fifth-annual Bahamas Bowl game, played on December 21, 2018, a massive LED scoreboard was debuted from Planar, powered by Lighthouse. The LED video wall features a 16mm pixel pitch and measures 67' wide by 25' tall.
